

## Announcement of 7<sup>th</sup> Annual Congress on Traditional & Alternative Medicine, Singapore City, Singapore on December 07-08, 2022

### Editorial

We are happy to announce the 7th Annual Congress on Traditional & Alternative Medicine scheduled to be held in Singapore city, Singapore on December 07-08, 2022.

The theme for the Traditional Medicine- 2022 is “Exploring New Horizons in Traditional & Alternative Medicine”. Traditional Medicine- 2022, a two-day meet, aims to accumulate ardent minds ranging from frontiers to novices to discover, explore and create prospects to gain a greener, safer and cleaner tomorrow.

Traditional Medicine - 2022 focuses to create a medium to connect eminent personalities from different backgrounds of Traditional Medicine including Complementary & Alternative Medicine (CAM), Homeopathy & Folk Medicine, Herbal & Naturopathic Medicine, Yoga & Mindfulness, Pharmacognosy & Phytochemistry of Medicinal Plants, Homeopathy and Medical Treatment, Crude Drugs and Plant Products and Naturopathy : An art and science of healthy living and so on. This not only helps to spark new research ideologies but also craft a network of high profile and skilled people to protect the future.

The scientific contributions towards our Singapore Traditional Medicine conference are welcome in the form of oral, video, poster presentations/workshops and seminars/ networking sessions/ exhibits. These tracks are designed to reveal and augment the expertise of the attendees.

We truly believe Traditional Medicine- 2022 conference to attain greater heights and success.

Traditional Medicine- 2022 initiated by Editors - Journal of VEGETOS: An International Journal of Plant Research- search this discovery will offer you an unforgettable experience in exploring new opportunities. Journal of Medicinal & Aromatic Plants is one of the best open access journals that aims to publish the most complete and reliable source of information on discoveries and current developments in the mode of original articles, review articles, case reports, short communications, etc. in this field and provide online access without any restrictions or subscriptions to researchers worldwide.
